There are no assemblies this week due to the Key Stage 2 SATs.

SATs

Please make sure children arrive promptly to school to minimise disruption to our Class 6 children.

Netball tournament

Our Year 5 & 6 netball players took part in a tournament at St Damien's Science College recently. Each team played their best against 3 teams from the Tameside area and Year 6 came second in their group and Year 5 came third in their group. Well done to all who took part and a big thank you to Miss Gee and Mrs Dixon for arranging for us to take part in this event.

School Playground Equipment

Following ongoing negotiations with the school playground equipment supplier, the contractors have now completed the replacements and repairs to the school play equipment and the final stage of resurfacing works have been scheduled to take place this week.

Summer Fair

We are organising a Summer Fair on Thursday 13 July with the help of the PTA. In order for the fair to take place, we need plenty of volunteers to help run the event. Please contact the PTA via their Facebook page or let the School Office know if you are able to help in any way.

Land on Spring Street

Following on from the letter sent on 31 March and the meeting recently held at St John's Church, it has been brought to our attention by a local resident that the land has currently been removed from auction for the short term. To help save this land from future development, the local residents are circulating a petition which the school is supporting as this land is used by Parents at drop off/pick up time. Please take time to sign this petition if it is something you feel strongly about.

Healthy Eating Week

We are holding a 'Healthy Me' week on the week beginning the 19 June. We are appealing to anyone who has a job or special interest in healthy eating, exercise, dental care or wellbeing and would be willing to come in to school and talk to groups of children about their job. We would really appreciate any help in making the week more memorable for the children. If you think you could help, please contact Miss Crompton, Mrs Fernley, Miss Rodgers or the school office.

Parking around school

We have had a further complaint from one of our residents concerning parking on Woodmeadow Court. This is private land so please could I stress how important it is for us to maintain a good relationship with our neighbours. Please do not park on Woodmeadow Court and do not block driveways and also double parking can be extremely dangerous.
