Mossley Soup

A huge well done to Miss Bethell and the children that went to Mossley Soup last week to try and raise money for a wooden cabin for Forest School. They did a fantastic job but were unfortunately unsuccessful this time. Thank you to those people that attended and supported them on the night. Miss Bethell has had some really positive comments following the night and some possible funding leads to investigate, which is fab. Therefore, we are very hopeful that we will soon have some good news about the Forest School project!

MCSP Maths Battle

The Mossley and Carrbrook School Partnership Maths Hub organised and held their first Maths Battle event last week at Mossley Hollins which Milton won! Well done to all those children involved and thank you to our ex pupil Brooke Bamford who was also on our team!

MCSP Eco Competition

A big thank you to all children who have handed in their Eco competition designs.

As part of our MCSP, we are now at the stage where children involved should now be creating their projects and producing their products, with the aim to either 'Reduce, Reuse or Recycle.'

All children taking part have been given back their design sheets to complete their projects.

Please can anyone who has already brought in a product take it back home to make sure it is the best it can be - does it fully meet our 'Reduce, Reuse, Recycle' aims? Does it work to the best to its ability? How will it make a difference in our world?

The closing date for entries will be 3.15pm Friday 1st March. Any late projects cannot unfortunately be accepted as we will be voting for our school's winner the following week.

Thank you again to all those who have taken part and good luck with your projects! Any questions or queries can be directed to Miss Gee, Science Leader (Class 5).

Tameside Basketball Competition

Well done to all the pupils who attended the Basketball competition last week. Thank you also to Tameside Schools Partnership for organising this event.

Smoke Free Schools

We are working with Tameside Council to achieve 'Smoke Free Gates' status. This means we don't want our children to see any smoking (including e-cigarettes) taking place on or near to the school grounds. All classes from Year 1 - Year 6 will be learning about the effects of smoking and completing appropriate activities. The School Council has decided to launch a competition to design a poster that informs any visitors that we are a Smoke Free school. All entries will be judged by the School Council and the winning entries will be made into posters that will be displayed around school. Entries for the poster competition need to be handed in by Friday 15 February.
