### SATS

As you may be aware, the children in Year 6 are completing their National Key Stage 2 SAT assessments this week. Our Year 2 children will also complete SAT assessments during May too. We just wanted to mention how incredibly proud we are of the children. They have shown us how determined, hardworking and focused they have been all week and have clearly tried their best. Given that their learning has been so disrupted in the previous two years due to covid, the children have coped so well with the challenge of this week. Well done everyone!

### JUBILEE CELEBRATIONS

During our last week of half term we will be celebrating the Queen's Jubilee in various ways and we will complete the week with a Jubilee picnic on the field on Thursday 26 May (weather permitting).

The PTA are helping us organise some bunting for the children to decorate and place around the field on our Jubilee Picnic day. On this day the children can also wear red, white and blue!

Please remember to send in a blanket for your child to sit on for the picnic celebration.

### SPORTS AMBASSADOR NEW CHALLENGE OF THE MONTH

Our Sports Ambassador Challenge of the month for May is to see how many local walks you could do in a week that last at least 15 minutes! Get out and about and enjoy the fresh air with your family! See if you can discover any new paths in the locality, see where they take you.
