JUBILEE CELEBRATIONS - TOMORROW

Please remember that your child can wear red, white or blue tomorrow for our Jubilee day. The weather isn't looking favourable tomorrow unfortunately, but we do have a wet weather plan that would still require the children to bring in a blanket to picnic on.

Miss Rollinson, Miss Rodgers and the PTA have also organised a lovely little surprise for the children after their dinner, which we are sure the children will remember in years to come – I'm sure the children will tell you all about it tomorrow.

JUBILEE ART COMPETITION

As part of the Queen's Platinum Jubilee we have a very exciting home Art and Design competition...

'My Jubilee, Your Jubilee'

Over the half term holiday 27.5.22- 13.6.22 Miss Rollinson and the Arts Council would like the children in Yr 1 – 6 to create a piece of artwork at home that shows their own special memories of the Platinum Jubilee. It could be a drawing, sketch, painting, collage, or digital creation on an A4 format which shows their Jubilee memories. We would love to see what special memories are being made, these could include memories from school, within the local area, shop windows, community events, at home, in the garden and beyond!

The competition entries need to be brought into school by Thursday 16 June and the Arts council along with local artist Chris Cyprus will be judging the artwork.

Prize... The prize for this competition is very exciting!

We **S**how respect. We are **H**onest. We **I**nclude others. We **N**ever give up. We seek **E**xcellence in all we do.

The Arts council and Chris Cyprus will choose the **class** who have clearly taken the most, time, effort and commitment to their artwork and will win an exclusive visit to Chris's real-life art studio in Woodend Mill and participate in a class sketchbook workshop with him.

Please make sure your entries are either no smaller than A4 sized or any bigger than A3.

BROOKFIELDS APPLICATION MEETING -TONIGHT

You may, or may not be aware that there is another planning application for a development on Brookfields again. As a community, we were able to successfully object and stop this development in 2019. However, a further application has been made which can be found here: <https://publicaccess.tameside.gov.uk/online-applications/applicationDetails.do?activeTab=documents&keyVal=RA8F2UPUKTF00>.

There will be a meeting at school tonight, Wednesday 25 May, 6 - 7pm, where you can find out more about how to support the objection, should you wish to. Dave Jones will be leading the meeting. Everyone is welcome.

SCHOOL TRIPS

We just want to make you aware that we are trying our hardest to organise end of year school trips for the children, but are finding that coach costs are exceptionally high due to the price increases in fuel. Please do be assured that when a trip is organised, we always source the best price available from the range of bus companies on offer. We also heavily subsidise the total costs to assist parents in being able to fund the trips.

NAMES IN CLOTHING

Please could you make sure that your child's clothing items are named. Even though the children come into school in their PE kit now, we seem to have a large amount of lost property at the moment. If items were named, clothing would be easily returned to the right children. Thank you for your assistance with this matter.

Our Sports Ambassador Challenge of the month for May is to see how many local walks you could do in a week that last at least 15 minutes! Get out and about and enjoy the fresh air with your family! See if you can discover any new paths in the locality, see where they take you.
